

**STORY:**

Awesome, thank you for visiting my fundraising page! I've taken up a giant challenge and need your help. I wanted to let you know about this epic (and slightly crazy) adventure that I am embarking on this April. I am joining a growing band of courageous athletes who are running day-and-night, 200 miles from Huntington Beach to San Diego. WHY, you might ask? For a wild and crazy adventure for sure. However, there is a greater meaning behind this race. There is a hunger crisis in Malawi, Africa right now and we feel led to respond.

Together we are going to change the lives of the hungry children and families in Malawi, by raising funds and awareness. Team FaithQuest is running to support FaithQuest and their major project, Y-Malawi. They are in the thick of responding to this critical famine, which is the result of poor rainfall and bad crops. We refuse to stand by and wait... so we RUN! The money you donate today, can put life-saving food in someone's mouth tomorrow!

Would you please consider joining me in this effort to help those in need? Every little bit helps. Just \$10 can help feed a person for one month. If we all work together, we can make a big difference!

Thank you for your consideration!

Love God. Love People. Have a blast!

**THANK YOU AUTO RESPONSE:**

Thank you so very much for your generous donation! Your support means so much to me and will make a great impact in many lives. I will be thinking of you, with a grateful heart, while running at all hours of the night until my legs won't move anymore!

Thank you!

Amber
