

Fundraising Page:

- 1.) Go to www.grouprev.com/signup/teamfaithquest
- 2.) Create an account and sign up or log in, if you already have an account.
- 3.) Under “Project Details”, create your URL with teamfaithquest then your full name, with no spaces in the box. Example:
<http://www.grouprev.com/teamfaithquestamberstagner>
- 4.) Under “Goal”, please put \$1000 at a minimum (more, is great!). If everyone raised at least \$1000, that would be amazing!! That being said, sometimes the donations slow down or end once you’ve reached your goal, so feel free to dream BIG! The more we can raise, the more lives we can change.
- 5.) Under “End Date”, please put April 6, 2014 (although donations will of course be accepted after this date).
- 6.) Enter the super secret code and “signup”
- 7.) Here is your page! Under “Fundraising Details”, please add your “Total Fundraising Goal”, “End Date” (4/6/14) and “Your Custom Story”. I will include a template below, which you could just cut and paste and personalize to fit you. Feel free to write your own, if you’d rather.
- 8.) Under “Styling and Graphics”, you do not need to do anything.
- 9.) Under “Images and Video”, feel free to add any pics or video. Perhaps a Rocky montage of some sort?!
- 10.) Under “Advanced Styling”, you do not need to do anything.
- 11.) Under “Thank You Email”, please click on the “Enable Thank You Email”, to send an auto-response to all your donors. It’s up to you if you want to do “Send Me a Copy”. Write your name, “Reply To” your e-mail address and fill in the “Subject” (I just wrote “Thank you!!”. For the “Message”, I have included a template below, if you would like to cut and paste. Otherwise, go for it Edgar Allen!
- 12.) Click “Save”. You did it!!
- 13.) To edit your page: go to “My Projects” and “Edit”.
